Subject: RE: St. Catherine St. Light
Importance: High

Donna,

Here is what I have. Two things to remember, these are estimates since we don't know the exact cost of some items. Also, we try to estimate high. I would rather give money back rather than come and ask for more. That is why we give you a "not to exceed" estimate.

Labor = \$1,500
 Material = \$ 480
 Equipment = \$ 575
 Contingencies = \$145
 Total = \$3,000

Dan

That's the only way I can get this funded thru appropriations. Thanks Much.

Donna,

3/16/2006

What kind of paperwork are you looking for? The crew just figures the material, time, etc. and gives me an estimate.

Dan

No, I need to submit it. Sorry, Jumping ahead of myself.

Dan, do you have paperwork for me to attach to the request for the \$3,000. If so, Please forward to my attention. I will place on the next appropriation.

Subject: FW: St. Catherine St. Light

Ellie, CM Unseld is repairing the light located at the I-65/St. Catherine exit and needs an account # assigned from the Sixth District
CIF in the amount of \$3,000 to Public Works. Please advise at the earliest if more information is needed.

Donna, Good morning.

Metro PW's Electrical Maintenance staff can repair this light for a cost, not to exceed, \$3,000. If you want us to proceed, please give me an account number for the charges and I will schedule the guys for the work.

Dan

Donna,

I just got off the phone with MetroCALL and Jeff Thomas. He is going to get me an estimate and I will get back to you.

Subject: RE: St. Catherine St. Light

Donna,

Would you please contact Dan Curtis with this request? All estimates are required to go through his office. As soon as I get the approval I will submit an estimate.

Thanks,
Jeff

Jeff,

3/16/2006

Donna would like some kind of figures for repair if possible. I am going to forward your e-mail to Donna Sanders of Councilman Unseld's Office for the wheeling and dealing portion of this concern.

Thank you sooooo much for your help! We have a saying over here about giving them the pickle. (making people happy) and I believe you receive the "pickle award" today.

If you can, please let me know the out come, I need to respond to the Mayor and the citizen.

Thank you.

Subject: St. Catherine St. Light

Susan,
I just went and looked at the light. It has been laying on the ground for awhile and needs to be cleaned up for sure, but it also is slightly bent at the top. We can get it picked up and take it to our storage lot and get it cleaned up. As far as getting it straightened out we have a contract with Hobbs Metal Fabricating. I can get them to give me a price to straighten it.

In order for us to do this work I will have to get some type of approval through my manager. Dan Curtis is the manager over our shop.

If you need anything else let me know.
